[www.jorgeschultz.com](http://www.jorgeschultz.com)

Chilean Director, Actor and Designer graduated from the Pontificia Universidad Católica of Chile. MFA in Theatre Directing from Columbia University, with more than 11 years of experience working as an Artistic Director at the theatre company OCUS. Extensive experience in team coordination and theatre projects development. I create physically driven work through a Latin American lens, while perpetually seeking to combine the very new and the very old in a symbiotic conversation.
